## **Sharing and Exploring our Practice**

*A development day for facilitators of Art and Spirituality Network workshops, past, present and future*

at **Wimbledon Quaker Meeting House**  
40 Spencer Hill Road, Wimbledon, London SW19 4EL.

This workshop is for anyone already helping to run ASN events or interested in doing so in future, whether as a workshop leader, or supporting our work through helping with publicity, organising or administration.

We will be discussing what we aim to do in running workshops and how we do it - making art together, sharing ideas and good practice, and learning from one another. We will also be exploring and planning possible ASN events for 2011 and beyond.

**THIS EVENT IS FREE, BUT ADVANCE BOOKING IS ESSENTIAL.**  
Early booking assures you your place, as numbers are limited.

To book, email [johnnigelharley@yahoo.co.uk](mailto:johnnigelharley@yahoo.co.uk) or call him at 07985 900 935, giving your name, a phone number and address as well as email address.

*Please bring some thing to share for lunch - preferably vegetarian.  
Hot and cold drinks and art materials provided*

The venue is a few minutes' walk from Wimbledon Station: fast trains to Vauxhall and Waterloo, tram to Croydon, District Line Underground (slow) and buses.
